### **DOG DAYS POLICIES**

Dog Days provides high-quality, affordable daycare M-F and year round boarding (including weekends) to dogs in the Altoona/Greenwood area. Rather than isolating your dog in a concrete kennel while you're away or at work, your dog can also stay active and entertained at Dog Days in a home environment where they have the option of playing with their canine friends during the day and sleeping on a sofa at night.

**Requirements:** Your dog must be at least two months old and be up-to-date on the following vaccinations: DHLPP, bordatella (kennel cough), and rabies (for dogs over 12 weeks). Your dog must also be on a flea preventative. Spaying/neutering (for dogs over 6 months) and a temperament evaluation are required if you would like to add daycare to your dog's stay. Please bring documentation of your dog's current licensure in your area.

**Rates:** Boarding rates are \$25/night for the first dog; any additional dogs receive a 50% discount (\$12.50/night). Daycare rates for your first dog are as follows: a full day of daycare is \$20, and a half day is \$10. Additional dogs attending simultaneously get a 50% discount off of their daycare as well. Regular customers who bring their dogs 3x/week or more will get an additional discount (10% off if 3 days/week, 15% off if 4 days/week, 20% off if all 5 days/week). Boarding dogs (that meet the daycare requirements) are given a free day of daycare for every night of their stay, but normal daycare rates will apply for their day of pick-up.

**Drop Off/Pick Up Times:** Our weekday drop-off/pick-up times for both daycare & boarding are from 7-9am or 4-6pm. Half days do not count towards the weekly total of daycare days eligible for the discount. Weekend drop off or pick ups for boarding dogs are by appointment only.

**Behavior:** For the safety of all the dogs at Dog Days, aggressive behavior will not be permitted. If your dog has a history of aggression towards humans, we ask that you please refrain from applying. If your dog is also attending daycare and exhibits aggressive behaviors towards other dogs while at Dog Days, we reserve the right to remove your dog from group activities.

**Health:** Only dogs in good health may attend the daycare. Dogs that have been ill with a communicable condition in the last thirty (30) days will need documentation of a veterinarian's recognition of health to be admitted. If your dog exhibits symptoms of distress or illness, we reserve the right to remove them from group activities.

**Play Groups:** Dogs attending daycare will be separated based primarily on size and energy level. Smaller dogs or very-low energy dogs will be grouped together, while larger, more rambunctious dogs will be similarly grouped together; this ensures the safety of all dogs and maximizes their chances of finding compatible playmates. Dog Days' staff reserves the right to group dogs at their discretion.
